

Ecommerce_Product_Analytics_Project

— Communications Plan

Purpose: Define structured communication cadence to ensure stakeholder alignment, transparency, and adoption.

Communication Objectives

- Ensure leadership alignment on KPI definitions and performance trends
- Provide consistent project status visibility
- Reduce miscommunication across cross-functional teams
- Drive adoption of dashboard and analytics outputs

Cadence & Channels

Audience	Purpose	Format	Frequency	Owner
Executive Leadership	Performance review & decisions	Dashboard review	Monthly	Business Analyst
Functional Managers	Insights & action planning	Working session	Bi-weekly	Business Analyst
Delivery Team	Execution updates	Standup notes	Weekly	Project Lead
Cross-functional Stakeholders	Alignment & risks	Status email	Weekly	Business Analyst
