

Ecommerce_Product_Analytics_Project

— Stakeholder Engagement Plan

Purpose: Define engagement strategy to maximize adoption, trust, and collaboration.

Engagement Principles

- Early involvement in KPI definition
- Transparent decision documentation
- Continuous feedback loops
- Respect for functional expertise
- Clear ownership and accountability

Engagement Strategy by Stakeholder Type

Stakeholder Type	Engagement Approach	Artifacts Used	Success Indicator
Executive Sponsor	1:1 working sessions	Dashboard, Exec deck	Strategic decisions made using data
Managers	Workshops and reviews	Excel model, KPIs	Teams act on insights
Analysts	Collaboration sessions	SQL, datasets	Data validation confidence
Cross-functional partners	Alignment check-ins	BRD/FRD, roadmap	Reduced rework
